JAZZ AT THE UNIPOL AUDITORIUM

Unipol Group sponsor of *Bologna Jazz Festival* again this year

The Unipol Group renews its support for the tenth edition of the *Bologna Jazz Festival*. From 24 October to 26 November, jazz will be the new protagonist in Bologna: a month of uninterrupted concerts, master classes and other events offering full immersion in the international and Italian jazz life. In particular, on 30 October, 6 and 17 November, jazz will directly “enter the house” of Unipol: alongside the main theatres of the city, the Unipol Auditorium at Via Stalingrado 37 will become a stage for three unique evenings not to be missed, featuring spectacular performances all to the rhythm of jazz.

With its support of the *Bologna Jazz Festival*, the Unipol Group once again demonstrates its desire to participate in the cultural and artistic life of the community in which it operates, in line with its values and in the belief that the economic development of the company must progress also accompanying and supporting the cultural and social growth of the community. With its Corporate Sponsorship Program, the Unipol Group wishes to always remain close to the people and the community by supporting initiatives that embrace sport, scientific research and social utility, the environment, entertainment, art and culture, such as in the case of this prestigious music festival.

Because for the Unipol Group thinking of people’s future also means thinking of what they love: music.
