Unipol Gruppo Finanziario will present its Sustainability Plan and Sustainability Report at 5pm on Monday, 14 June 2010 at the Palazzo Montereale Mantica in Pordenone. Participants in the debate will be the Mayor of Pordenone **Sergio Bolzonello**, the Director of the Casa 'A. Zanussi' Cultural Centre **Luciano Padovese**, Finanziaria Internazionale Securitisation Group S.p.A.'s CEO **Andrea Perin** and UGF Banca's Deputy General Manager **Fabio Colombera**. The meeting will be opened by **Roberto Sesso**, Chairman of Unipol's Regional Board in Friuli Venezia Giulia.

This event will provide UGF with the opportunity to give its partners and the entire community an account of its strategies, its objectives and the initiatives it has undertaken, as part of its corporate responsibility, contained in its **2010-2012 Sustainability Plan**, which will be presented along with its **2009 Sustainability Report** in order to provide a complete picture of the financial, social and environmental decisions made by the Group and at the same time to provide it with an opportunity to invite discussion and suggestions for improvement.

This will be followed by the handing over of the Unipolis Foundation 'Keys to Smiles' grant. The project selected for the region of Friuli Venezia Giulia is **'Legalità in fumo!' ('Smoking within the law!')**, put forward by the social cooperative **La Quercia**. The aim of the project is to increase young people's knowledge of the links between drug-taking and international drug-trafficking by taking part in discussions with their peers.

We should be most grateful if you could publish this.
