to Haitians affected by the earthquake**

Bologna, 25 February 2010 - Unipol Gruppo Finanziario has decided to take part in the fundraising campaign in support of the population of Haiti affected by the devastating earthquake on 12 January this year, which was launched by the Italian Cooperative Federation (Legacoop) presidency, by making a donation of €30K.

UGF Banca, moreover, has organised and will manage the current account registered in the name of "Legacoop for Haiti" into which the cooperation network will be able to register donations to I-Ban code:
IT95T0312703200000000001007.

The UGF Group intended to respond in this way to the appeal by the Italian Cooperative Federation – which also mirrors that of the International Cooperative Alliance (ICA)– and is making its own significant contribution to the major effort to support the Haitians affected by the tragic earthquake.
