Unipol Gruppo Finanziario will present its Sustainability Plan and Sustainability Report at 4pm on Tuesday, 22 June 2010 in the Provincial Council's boardroom in Genoa. Participants in the debate will be **Lorenzo Caselli**, Lecturer at the Faculty of Economics of the University of Genoa, **Umberto Riso**, Chairman of Confindustria Liguria, **Alessandro Repetto**, Chairman of the Province of Genoa and **Giuseppe Santella**, Unipol Gruppo Finanziario's Human Resources and Organisation Director. The meeting will be opened by **Alba Lizzambri**, Chairman of Unipol's Regional Board in Liguria.

This event will provide UGF with the opportunity to give its partners and the entire community an account of its strategies, its objectives and the initiatives it has undertaken, as part of its corporate responsibility, contained in its **2010-2012 Sustainability Plan**, which will be presented along with its **2009 Sustainability Report** in order to provide a complete picture of the financial, social and environmental decisions made by the Group and at the same time to provide it with an opportunity to invite discussion and suggestions for improvement.

This will be followed by the handing over of the Unipolis Foundation 'Keys to Smiles' grant. The project selected for the region of Liguria is **'Per una società sostenibile 'costruita e vissuta' dai giovani del mondo' (For a sustainable society 'constructed and inhabited' by young people throughout the world')**, put forward by **C.G.S. Il Tempietto**. The aim of the project is to get a group of young people of various nationalities to play an active part in the civic life of the district of Sampierdarena, making them aware of their rights and duties and fostering a renewed community spirit.

We should be most grateful if you could publish this.
