This event will provide UGF with the opportunity to give its partners and the entire community an account of its strategies, its objectives and the initiatives it has undertaken, as part of its corporate responsibility, contained in its **2010-2012 Sustainability Plan**, which will be presented along with its **2009 Sustainability Report** in order to provide a complete picture of the financial, social and environmental decisions made by the Group and at the same time to provide it with an opportunity to invite discussion and suggestions for improvement.

This will be followed by the handing over of the Unipolis Foundation 'Keys to Smiles' grant. The project selected for the region of Lombardy is **'Imparo cucinando' ('Learning by cooking')**, put forward by the social cooperative **Lule**.
