Unipol Gruppo Finanziario will present its Sustainability Plan and Sustainability Report at 11am on Wednesday, 16 June 2010 at the Chamber of Commerce in Naples. Participants in the debate will be Alderwoman for Human Resources for the Municipality for Naples **Enrica Amatore**, **Mauro Baldascino** of Libera Caserta's 'Don Peppe Diana' Committee, the Alderwoman for Labour, Immigration and Training Policies for the Province of Naples **Maria Lucia Galdieri**, **Alessandro Limatola** of the Chamber of Commerce Board in Naples and **Franco Ellena**, UGF Assicurazioni's Joint General Manager. The meeting will be opened by **Michele Gravano**, Chairman of Unipol's Regional Board in Campania.

This event will provide UGF with the opportunity to give its partners and the entire community an account of its strategies, its objectives and the initiatives it has undertaken, as part of its corporate responsibility, contained in its **2010-2012 Sustainability Plan**, which will be presented along with its **2009 Sustainability Report** in order to provide a complete picture of the financial, social and environmental decisions made by the Group and at the same time to provide it with an opportunity to invite discussion and suggestions for improvement.

This will be followed by the handing over of the Unipolis Foundation 'Keys to Smiles' grant. The project selected for the region of Campania is **'Il futuro in un libro' ('The future in a book')**, put forward by the **Centro Italiano Femminile (Italian Centre For Women)**. The main aim of the project is to set up a reading room next to the public library, initially for children between the ages of 12 and 18 but gradually opening up to the entire population.

We should be most grateful if you could publish this.
