Unipol Gruppo Finanziario will present its Sustainability Plan and Sustainability Report at 10am on Wednesday, 16 June 2010 at the Palazzo delle Aquile in Palermo. Participants in the debate will be **Antonello Montante**, Confindustria representative for Relations with the Institutions responsible for Control of the Territory, **Salvatore Costantino**, Full Professor of Legal Sociology at the University of Palermo and **Luciano Colombini**, UGF Banca's General Manager. The meeting will be opened by **Carmelo Travaglia**, Chairman of Unipol's Regional Board in Sicily. **Alberto Campagna**, Chairman of the Palermo Town Council, will convey his regards.

This event will provide UGF with the opportunity to give its partners and the entire community an account of its strategies, its objectives and the initiatives it has undertaken, as part of its corporate responsibility, contained in its **2010-2012 Sustainability Plan**, which will be presented along with its **2009 Sustainability Report** in order to provide a complete picture of the financial, social and environmental decisions made by the Group and at the same time to provide it with an opportunity to invite discussion and suggestions for improvement.

This will be followed by the handing over of the Unipolis Foundation 'Keys to Smiles' grant. The project selected for the region of Sicily is **'Scuola e legalità'** (**'School and the law'**), put forward by the social cooperative **Azione Sociale**. The main aim of the project is to put on a creative educational workshop for adolescents at Foscolo secondary school in Messina focusing on legality and managing emotions.

We should be most grateful if you could publish this.
