Unipol Gruppo Finanziario will present its Sustainability Plan and Sustainability Report at 4pm on Friday, 11 June 2010, Unipol Gruppo Finanziario's Sustainability Plan and Report will be presented at the Centrum Palace in Campobasso. Participants in the debate will be **Lucio Francario**, Professor of Civil Law at the Università degli Studi del Molise and **Claudio Belletti**, Head of UGF Assicurazioni's Sales Management. The meeting will be chaired by **Erminia Mignelli**, a member of the Management of Unipol's Regional Board. The Mayor of Campobasso, **Luigi Di Bartolomeo**, will convey his regards.

This event will provide UGF with the opportunity to give its partners and the entire community an account of its strategies, its objectives and the initiatives it has undertaken, as part of its corporate responsibility, contained in its **2010-2012 Sustainability Plan**, which will be presented along with its **2009 Sustainability Report** in order to provide a complete picture of the financial, social and environmental decisions made by the Group and at the same time to provide it with an opportunity to invite discussion and suggestions for improvement.

This will be followed by the handing over of the Unipolis Foundation 'Keys to Smiles' grant. The project selected for the region of Molise is **'Un Campolieto che ricicla' ('Recycling in Campolieto')**, put forward by the social cooperative **L'Arca di Noé**. The main aim of the project is to provide thorough training in the topic of waste (reduce, separate, reuse, recycle) as something that affects our daily lives, with the involvement of the school and the town council.

We should be most grateful if you could publish this.
