Unipol Gruppo Finanziario will present its Sustainability Plan and Sustainability Report at 10am on Friday, 18 June 2010 at the Hotel des Etats in Aosta. Participants in the debate will be **Anna Maria Merlo**, Lecturer in Solidarity Economics and Management of Non-Profit-Making Businesses at the University of Valle d'Aosta, **Riccardo Monzeglio**, General Secretary - CISL Regionale, **Davide Mattiello**, Libera's contact person in Piedmont and **Claudio Belletti**, UGF Assicurazioni's Sales Director. **Giacomo Sado**, Editor-in-Chief - RAI Valle d'Aosta, will coordinate the debate. The meeting will be opened by **Michele Silani**, Chairman of Unipol's Regional Board in Valle d'Aosta. The Mayor of Aosta, **Bruno Giordano**, will convey his regards.

This event will provide UGF with the opportunity to give its partners and the entire community an account of its strategies, its objectives and the initiatives it has undertaken, as part of its corporate responsibility, contained in its **2010-2012 Sustainability Plan**, which will be presented along with its **2009 Sustainability Report** in order to provide a complete picture of the financial, social and environmental decisions made by the Group and at the same time to provide it with an opportunity to invite discussion and suggestions for improvement.

This will be followed by the handing over of the Unipolis Foundation 'Keys to Smiles' grant. The project selected for the region of Valle D'Aosta is **'Web Radio Aosta'**, put forward by the non-profit-making organisation **CSV – Valle d'Aosta**. The main aim of the project is to develop the technological and cultural skills needed to revive and manage an Internet radio station, involving children in making programmes.

We should be most grateful if you could publish this.
