

UNIPOL GROUP AND UNIPOLIS FOUNDATION CONTINUE TO PARTNER THE INTERNAZIONALE FESTIVAL

Ferrara, 29 September 2021

The partnership continues between the **Unipol Group**, the **Unipolis Foundation** and the **Internazionale a Ferrara Festival** scheduled for 1 to 3 October.

Vittorio Verdone, Corporate Communications and Media Relations Director of the Unipol Group said *“there is a strong, long-standing link between the Unipol Group and the Internazionale a Ferrara Festival since we appreciate the strategic vision of providing information that opens our eyes to the world, goes beyond our personal thresholds and gives us the tools to increase our awareness to help us in the formation of our opinions. The issues dealt with by the festival like the transformation of the world of work, climate change, gender issues, justice, global development and geopolitical crises both give us a greater understanding of the future of people and also stimulate corporate activities. As far as we are concerned, we will bring to the Festival our vision relating to areas of special importance such as the “social city”, i.e. the start up of towns-territories that are increasingly characterised by new neighbourhood relations and trust; the Unipolis Foundation will also organise an examination of the issue of young people and work, and how to involve the new generations in a world that is constantly speeding up but characterised by a widespread sense of insecurity”*.

These are the details of the discussions promoted by the **Unipolis Foundation**:

SATURDAY 2 OCTOBER, 11:30 a.m. at the Apollo Cinema

Out of the limbo

Young people are experiencing work in an increasingly informal, scattered and unstable way. The challenge is how to transform these experiences into something constructive and stimulating. We need to imagine a different relationship between work activities and the rest of our lives.

The following will make presentations: Francesca Coin, sociologist, Antonio Perdichizzi, Junior Achievement Italia, and Francesco Seghezzi, Adapt Foundation.

Roberta Carlini, journalist and researcher will introduce the session and chair it.

SUNDAY 3 OCTOBER, 11.00 a.m. at the former Teatro Verdi

Social city

More human, collaborative, and welcoming: a portrait of future towns in which interpersonal connections are decisive.

Helgard Haug - Rimini Protokoll, Ebi Maria Grassi - Unipol Group, Ezio Manzini - Desis network and Paola Romano - Municipality of Bari will make presentations.

Matteo Brambilla, Segnalidalfuturo will introduce the session and chair it.
