

## THE UNIPOL GROUP SUPPORTS THE EXHIBITION ON “CARLO ALBERTO DALLA CHIESA: THE MAN, THE GENERAL 1982-2022”

### The Lombardy leg of the exhibition commemorating the fortieth anniversary of the General’s death opens in Milan

Milan, 30 January 2023

The Milan edition of the exhibition *“Carlo Alberto Dalla Chiesa: the Man, the General, 1982-2022”* will be opened at the Palazzo Reale today with institutional representatives and members of the Carabinieri in attendance.

Vittorio Verdone, Communication & Media Relations Director will represent Unipol which is supporting this event to keep the memory of the General alive. He said “it is important for our Group to spread awareness and highlight the importance of the values that form the basis of civil society and for which General Carlo Alberto Della Chiesa was such an extraordinary ambassador”.

Curated by journalist Andrea Pamparana, the exhibition was first held in Rome last September and will subsequently be shown in Turin and Palermo; it can also be viewed as a live stream or online through the main social media websites. The aim is to inform the public, especially school goers, of the extraordinary life of Carlo Alberto dalla Chiesa, a man who was a “servant of the State”, a Carabiniere whose every action bore witness to its motto “faithful through the centuries”, showing that it is not just a slogan, but a state of mind. This held true until his final sacrifice in Palermo on 3 September 1982 while working in his new role as Prefect after having long fought against the mafia and helped defeat the terrorism of the years of lead which tragically stained our country with blood.

Carlo Alberto Dalla Chiesa is a key figure in our history in terms of his professional and moral values, a bearer of the message to future generations to uphold the law. He would certainly never have referred to himself as a hero, but rather as an honest person who was conscious of those to whom we have the greatest responsibility as borne out by his words *“Some things are not done out of courage, they are only done so we can look our children and grandchildren in the eye”*.
