

## THE UNIPOL GROUP SUPPORTS "TIME IN JAZZ"

Milano, 27 March 2018

For the fourth year the Unipol Group is sponsor of *"Time in Jazz"*, the international festival founded in 1988 and directed by Paolo Fresu. Like every year, it is one of the most highly anticipated events of the summer jazz season and will entertain the public in Berchidda (Sassari) and other towns in northern Sardinia from 8 to 16 August.

With its support for *"Time in Jazz"* the Unipol Group once again demonstrates its wish to participate in the cultural and artistic life of the communities where it operates, in line with its values and the belief that the economic development of the company must accompany and support the cultural and social growth of the community.

This sponsorship is part of the Corporate Sponsorship Program through which the Unipol Group intends to remain close to the people, supporting projects that embrace various areas with a special focus, such as in this prestigious event, on music, art and culture.
