Unipol Gruppo Finanziario will present its Sustainability Plan and Sustainability Report at 4pm on Friday, 2 July 2010 in the Sala dei Notari (Notaries' Room) in Perugia. Participants in the debate will be the Chairman of Unipol's Regional Board in Umbria **Paolo Bocci**, the Mayor of Perugia **Wladimiro Boccali**, **Davide Pati**, a member of Associazione Libera's National Management, the Chairman of Agenzia Umbria Ricerche **Claudio Carnieri**, CCIAA Chairman for Perugia **Giorgio Mencaroni**, Alderman for Economic Development of the Umbria Region **Gianluca Rossi** and the Chairman of Linear **Federico Corradini**. The meeting will be opened by **Francesco Filippetti**, Secretary of Confesercenti Umbria.

This event will provide UGF with the opportunity to give its partners and the entire community an account of its strategies, its objectives and the initiatives it has undertaken, as part of its corporate responsibility, contained in its **2010-2012 Sustainability Plan**, which will be presented along with its **2009 Sustainability Report** in order to provide a complete picture of the financial, social and environmental decisions made by the Group and at the same time to provide it with an opportunity to invite discussion and suggestions for improvement.

This will be followed by the handing over of the Unipolis Foundation 'Keys to Smiles' grant. The project selected for the region of Umbria is **'Amico fragile: teatro e comunicazione' (A fragile friend: theatre and communication)**, put forward by the non-profit-making organization **Angsa Umbria - Associazione Nazionale Genitori Soggetti Autistici**. The main aim of the project is to put on an acting course and a 'theatre of the image' event in order to help people with autism to become familiar with their emotions and to translate their emotions and lives into the language of the stage.

We should be most grateful if you could publish this.
