Unipol Gruppo Finanziario will present its Sustainability Plan and Sustainability Report at 4.30pm on Wednesday, 9 June 2010 at the Villa Romanazzi Carducci in Bari. Participants in the debate will be the Vice Chairman of the Apulia Region **Loredana Capone**, Alderman for Finances in the Municipality of Bari **Gianni Giannini**, sociologist at the University of Bari **Giuseppe Moro** and the Chairman of Confconsumatori Apulia **Antonio Pinto**. The debate will be coordinated by **Matteo Laterza**, Financial Director at Unipol Gruppo Finanziario. The meeting will be opened by **Carmelo Rollo**, Chairman of LegaCoop Apulia.

This event will provide UGF with the opportunity to give its partners and the entire community an account of its strategies, its objectives and the initiatives it has undertaken, as part of its corporate responsibility, contained in its **2010-2012 Sustainability Plan**, which will be presented along with its **2009 Sustainability Report** in order to provide a complete picture of the financial, social and environmental decisions made by the Group and at the same time to provide it with an opportunity to invite discussion and suggestions for improvement.

This will be followed by the handing over of the Unipolis Foundation 'Keys to Smiles' grant. The project selected for the region of Apulia is **'Narriamoci Corti' ('Our Short Stories')**, put forward by the Italian Catholic guide and scout organisation **Agesci Locorotondo I**. The main aim of the project is to offer workshops culminating in children with particular integration problems and scouts of the same age working together to create a short film.

We should be most grateful if you could publish this.
