Unipol Gruppo Finanziario will present its Sustainability Plan and Sustainability Report at 4pm on Thursday, 10 June 2010 in ANCE's Conference Room in L'Aquila. Participants in the debate will be the Chairman of L'Aquila's Chamber of Commerce **Giorgio Rainaldi**, the Director of L'Aquila's Academy of Fine Arts **Eugenio Carlomagno** and Unipol Gruppo Finanziario's Ethics and CSR Manager **Walter Dondi**. The meeting will be chaired by **Domenico Falcone**, Chairman of Unipol's Regional Board. The Mayor of L'Aquila, **Massimo Cialente**, will convey his regards.

This event will provide UGF with the opportunity to give its partners and the entire community an account of its strategies, its objectives and the initiatives it has undertaken, as part of its corporate responsibility, contained in its **2010-2012 Sustainability Plan**, which will be presented along with its **2009 Sustainability Report** in order to provide a complete picture of the financial, social and environmental decisions made by the Group and at the same time to provide it with an opportunity to invite discussion and suggestions for improvement.

This will be followed by the handing over of the Unipolis Foundation 'Keys to Smiles' grant. The project selected for the region of Abruzzo is **'Attiva-Mente, energie in movimento' (An active mind in an active body)**, put forward by the social cooperative **Orizzonte**. Its main aim is to work with children with behavioural difficulties to help them to carry out a journalism project.

We should be most grateful if you could publish this.
