Unipol Gruppo Finanziario will present its Sustainability Plan and Sustainability Report at 5pm on Tuesday 8 June 2010 at Villa Braida in Mogliano Veneto. Participants in the debate will be UGF's Chairman, **Pierluigi Stefanini**, Dr **Chiara Mio**, Vice Rector for Environmental Sustainability and Social Responsibility of the University of Venice, the Deputy Mayor of Venice, **Sandro Simionato**, and the Vice Chairman of Manutencoop, **Giuliano Di Bernardo**. The debate will be chaired by **Maurizio Crema**, Deputy Financial Editor of // *Gazzettino*. The meeting will be opened by **Gerardo Colamarco**, Chairman of Unipol's Veneto Regional Board.

This event will provide UGF with the opportunity to give its partners and the entire community an account of its strategies, its objectives and the initiatives it has undertaken, as part of its corporate responsibility, contained in its **2010-2012 Sustainability Plan**, which will be presented along with its **2009 Sustainability Report** in order to provide a complete picture of the financial, social and environmental decisions made by the Group and at the same time to provide it with an opportunity to invite discussion and suggestions for improvement.

This will be followed by the handing over of the Unipolis Foundation 'Keys to Smiles' grant. The project selected for the region of Veneto is **'Telemachus'** (**'Telemachus'**), put forward by the voluntary organisation **II Germoglio**. The main aim of the project is to set up a theatre and creative writing workshop to help disaffected adolescents to talk about their lives and express their feelings.

We should be most grateful if you could publish this.
